Other Information

Usage information:

You can monitor your usage at <https://customerportal.utilibill.com.au/cloudtelecom/> or by calling us on 1800 358 339

Service Details:

This Cloud Telecom ADSL service is provided using the Telstra network. Cloud Telecom is responsible for the service to you (the Consumer) and is not affiliated or related to Telstra.

For further information on the Telstra network please visit <http://www.telstra.com.au>

Broadband Speed:

Actual speeds you will receive will vary due to a number of factors such as your distance from the exchange, the network connecting the exchange, your equipment, software and internet traffic.

Availability:

ADSL2+ is not available to customers in all areas. In addition, it is important to note that "Fastest" Business Broadband will deliver speeds of up to 20Mbps/1Mbps at selected exchanges where ADSL2+ is available and up to 8Mbps/384kbps in all remaining ADSL enabled exchanges.

Enquires, feedback and complaints:

We are committed to providing you with excellent service. Please contact us by calling 1800 358 339.

You can access our complaint resolution process via the details on our website at www.cloudtelecom.com.au/terms and clicking on 'Customer Complaints Handling Policy'.

Telecommunications Industry Ombudsman

We encourage you to always contact us first if you experience any problem or are unhappy. We will do our best to solve your problem during our first contact.
