

critical information summary for your \$70 per channel SIP Trunks plan

Information about the Service

Here's a quick summary of all the important bits about your plan.

It covers things like how much you need to pay each month.

In order to access the Service, you will need a dedicated fixed line broadband Internet connection, such as ADSL 2+.

You will need fixed IP address, an IP enabled PBX and may need extra hardware depending on your requirements e.g. router, handsets and switches.

We recommend that the service be accessed with hardware approved by us, using a broadband ADSL2+ or Ethernet service supplied by us to our specifications.

What's Included and Excluded?

The following calls are included in your plan at no additional charge:

- Local calls
- National calls
- Calls to mobiles (any network)

Additional charges apply for calls not included in your plan. The main charges are:

- Calls to 13/1300 numbers: 30c per call

Calls to International Numbers

Calls to Cloud Telecom's top 10 international destinations are charged at 10c per 30 seconds with a first minute minimum charge of 20c.

Different rates apply to call other international numbers. All international calls are charged in 30 second increments.

Information about pricing.

The monthly charge depends on the number of trunks and Direct InDial range that you activate and it's calculated as follows.

- \$70 per SIP Trunk channel per month (SIP Trunk Channels must be ordered in blocks of 2 & there is a minimum 2 SIP Trunk Channels per service)

- \$0.50 per month per DID number (you must have at least 1 DID number)

Connection Charge

There are no connections fees on this plan.

Early Termination

There is no early termination fee (ETF) on this plan.
